

Paying your rent and bond

The rent you pay goes back into housing.

Your Housing Officer will talk to you about how much rent you have to pay.

About your bond and rent:

When you move into a new, rebuilt or refurbished house, you need to pay a bond (security deposit). The bond is four (4) weeks rent

Rent must be paid on time and you can get rent taken out of your wages or payments automatically. This makes paying rent easy

If you cannot pay rent you should contact your Housing Officer straight away

For more information talk to your Housing Officer or call the Department of Territory Families, Housing and Communities on 1800 104 076
