

# Repairs and maintenance

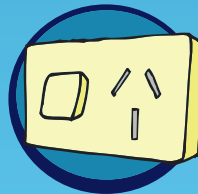

To keep houses good it is important that they are repaired and maintained often.

As soon as something is broken or stops working properly, tell your Housing Officer.

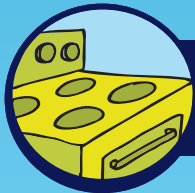

Report things like:

dripping taps or taps that are hard to turn on

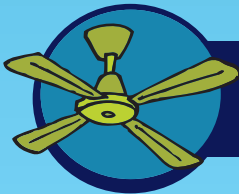

power points that are not working

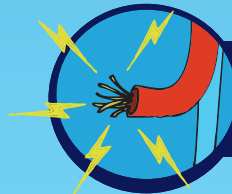

stove hotplates that are not working

blocked toilets, drains or sewerage leaks

fans that are not working properly

electrical wires sticking out

For more information talk to your Housing Officer or call Territory Families, Housing and Communities on 1800 104 076.
