DWELLING # WALDNARR HOUSE 2

The Numbulwar Homelands Housing and Infrastructure Upgrades - Waldnarr House 2 has reached practical completion, delivered by Northern Building and Property Services for Northern Territory Government. The project commenced on Sept 1, 2024, and was completed on January 20, 2026, meeting all contractual, safety, and compliance requirements.

This project was designed to achieve a comprehensive dwelling upgrade and has been constructed in accordance with the relevant building codes, workplace health and safety standards, and environmental sustainability guidelines.

Key achievements include:

- Delivery of a secure, modernised, and fully upgraded dwelling
- Completion of all major milestones within agreed timelines
- Full compliance with statutory and regulatory requirements
- Delivery of a facility that meets stakeholder expectations and future operational needs

This booklet consolidates all essential documentation, certifications, and records to support ongoing operations and maintenance.

Thank you again for trusting Northern Building and Property Services, we hope to work with you again in the future!

Warranty Information

DEFECTS LIABILITY PERIOD

This project is covered by a 12 months defects liability period, during which we will rectify any defects caused by faulty workmanship or materials.

COVERED DEFECTS MAY INCLUDE:

- ✓ Cracks in walls or ceilings NOT due to settling
- ✓ Doors, windows, or cabinetry that are misaligned or not functioning properly due to installation faults
- ✓ Plumbing or electrical issues related to installation faults
- ✓ Loose fittings, tiling defects, or paint imperfections caused by installation faults
- ✓ Leaking roofs or windows due to improper installation
- ✓ Hardware failures (e.g., loose or faulty door handles, locks, or hinges)
- ✓ Loose or improperly installed handrails, balustrades, or stair components

Cosmetic blemishes, general wear and tear, and damage caused by improper use are not covered under this period.

LODGING A WARRANTY OR DEFECTS CLAIM

If you notice an issue, please follow these steps:

- 01** DOCUMENT THE PROBLEM
Take clear photos and provide a detailed description.
- 02** CHECK YOUR WARRANTY DOCUMENTS
Confirm whether the issue falls under the builder or manufacturer warranty.
REPORT THE ISSUE
- 03** Contact us via quotes@northernbps.com.au.
INSPECTION AND RESOLUTION
- 04** We will assess the issue and, if covered, arrange for the appropriate repairs.

Attached to this report are any manufacturer warranty documents relevant to this project.

For urgent defects affecting safety or liveability, please contact us immediately.

If you have any questions about your our warranties or maintenance, don't hesitate to reach out.
