Ingkerreke Services Aboriginal Corporation (ISAC) undertook housing upgrades at House 15 Irrelirre on behalf of the Homeland and the Northern Territory Government. The project was executed as planned, resulting in a high-quality finish that fulfilled the expectations of both our client and the community.

The work began on the 20th of July 2025, and was completed by the 17th of Feb 2026, spanning a total of almost 30 weeks. Notably, 47% of the full-time workforce involved in this project was comprised of Aboriginal staff and subcontractors showcasing our commitment to local employment and community empowerment.

The upgrades were designed in alignment with the 9 Healthy Living Principles, considering the specific requirements of families and individuals. These needs were identified through discussions with residents, stakeholders, and leveraging ISAC's ongoing experience with maintenance and repairs in the Homelands. As the service provider for Irrelirre, our aim was to ensure that funding was utilized effectively according to resident needs while maintaining high standards of quality and durability in the work performed.

ISAC has been contracted to implement the following housing upgrade works for House 15 Irrelirre under the Capital Grant Funding Agreement (HHIPC0001). The completed works include:
