1. Project Summary

House 13, Indaringinya Homeland.

The Homelands Housing and Infrastructure Program (HHIP), managed through the Department of Territory Families, Housing and Communities (TFHC) is a program funded by the Australian Government of which is focused on improving the living conditions in Homelands to ensure residents have access to safe, secure and quality housing and infrastructure suitable to their needs.

AEA NT have completed the approved scope of works at House 13, Indaringinya Homeland delivering a quality final product which was handed back to the primary residents who now have improved access to the 9 Healthy Living Practices.

The construction works at House 13, Indaringinya Homeland commenced on the 22nd of February 2025 and were completed on the 28th of April 2025 representing a nine (9) week works program.

The total labour hours expended on this project included 37.5% participation by Aboriginal staff and/or sub-contractors.

2. Scope and Visual Confirmation of Works

2.1 Kitchen & Living

- Install 2 x new door frames, solid core doors including entrance locksets (keyed alike with other external doors), door saver plates, weather seals, and door stops to front and back doors.
- Service only 2 x window and screen
