1. Project Summary

House 10, Indaringinya Homeland.

The Homelands Housing and Infrastructure Program (HHIP), managed through the Department of Territory Families, Housing and Communities (TFHC) is a program funded by the Australian Government of which is focused on improving the living conditions in Homelands to ensure residents have access to safe, secure and quality housing and infrastructure suitable to their needs.

AEA NT have completed the approved scope of works at House 10, Indaringinya Homeland delivering a quality final product which was handed back to the primary residents who now have improved access to the 9 Healthy Living Practices.

The construction works at House 10, Indaringinya Homeland commenced on 09/11/2024 and were completed on 13/12/2024 representing a five (5) week works program.

The total labour hours expended on this project included 35% participation by Aboriginal staff and/or sub-contractors.

2. Scope and Visual Confirmation of Works.
